

Biocidin[®] Liquid & Capsules

BROAD-SPECTRUM LIQUID FORMULA AND CAPSULES

PROMOTES MICROBIAL BALANCE*

AVAILABLE IN 30 ML LIQUID AND 90 COUNT CAPSULES

Gastrointestinal (GI) and systemic imbalances are a common challenge in any clinical practice and can be difficult to address in a safe and effective manner.

Biocidin[®], a proprietary blend of 17 botanical extracts and essential oils, targets the entire GI tract and helps maintain the delicate balance of microorganisms in the microbiome.*

Biocidin's far-reaching effects include support for healthy digestion and elimination, biofilm cleansing, immunomodulation, and detoxification support.* The botanicals in Biocidin[®] also have systemic applications wherever dysbiosis plays a role.*

Biocidin[®] is laboratory tested, clinically researched, and has been trusted by health-care practitioners for over 30 years. In addition to liquid and capsule delivery systems, this broad-spectrum botanical formula is also available in a throat spray, liposomal solution, toothpaste, and oral rinse.

Clinical Focus: Who's It For?

- Those looking to support a healthy gastrointestinal tract*
- Anyone seeking to balance immune function*
- As part of the Bioclear™ Cleansing Program, for those seeking an annual or semi-annual cleanse/microbial reset*
- Individuals addressing heartburn, gas, bloating, constipation, or diarrhea*
- Those addressing brain fog, fatigue, and sugar cravings*

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

Benefits

- Supports gut health*

Biocidin[®] Liquid & Capsules

BROAD-SPECTRUM LIQUID FORMULA AND CAPSULES

Why the liquid form of Biocidin[®]?

- Preferred delivery system for GI health
- Provides a slow and even distribution along the entire GI tract, including mouth and esophagus
- Liquid drops make it easy to titrate
- Great for all ages

Why the capsule?

- Contains Biocidin[®] liquid formula in a capsule delivery system
- Each capsule contains five drops of Biocidin[®] liquid
- Preferred for travel

Suggested Usage

Liquid: Begin with 1 drop and gradually increase up to 5 drops 3 times per day or as directed by your healthcare professional. Children may use 1 drop per 10 lbs. of body weight per day, divided into 2 servings.

Capsules: Take one capsule per day and gradually increase to one capsule three times daily or as directed by a healthcare professional.

Do not use during pregnancy.

Concurrent use of G.I. Detox[™] and ProFlora[®]4R often recommended.

“ I recommend Biocidin[®] all the time! Ninety percent of my patients are seen via telemedicine, so I send them links to get Biocidin[®]. Thank you for designing such a wonderful product that is helping so many. ”

—DR. ERICA PEIRSON, PHYSICIAN/OWNER,
PIERSON CENTER FOR CHILDREN
