

Olivirex[®]

HIGHEST POTENCY OLIVE LEAF EXTRACT

SUPPORTS SEASONAL WELLNESS AND DETOX*

AVAILABLE IN 60 COUNT CAPSULES

Practitioners often turn to Biocidin[®] for addressing microbiome balance. For another layer of support, there's Olivirex[®], an innovative formulation combining standardized olive leaf extract with a synergistic blend of botanicals.

Long-known for its broad-spectrum activity, olive leaf has been used by healers throughout the ages to support optimal wellness.* Recent research shows that, like the botanical blend in Biocidin[®], the olive leaf extract in Olivirex[®] reduces biofilm formation.*¹

Select botanicals added to Olivirex[®] enhance the broad-spectrum qualities of olive leaf, usher the active ingredients into the body, and facilitate the clearance of toxins through support of liver and kidney pathways.*

When used in combination with Biocidin[®]TS Throat Spray, Olivirex[®] is indispensable for maintaining seasonal wellness.* To support optimal wellness when addressing longstanding health challenges, concurrent use with Biocidin[®] is recommended.*
